• PAGES •

Page numbers are taken from *The Lord of the Rings* Revised Collector's Edition, first published in 1987.

• START TIMES & PLAYS •

Start times indicate where to begin playing a track. Play number estimates how many times a track may repeat before the next cue.

• MUSIC & TRACK NOTATION •

Tracks are notated in the format **[Film #] . [Disc #] . [Track #]**:
3.1.5 refers to *The Return of the King*, Disc 1, Track 5: *Return to Edoras*

Music from the *Hobbit* trilogy is notated with an "H":
H1.2.14 refers to *An Unexpected Journey*, Disc 2, Track 14: *The Hill of Sorcery*

All tracks and cues are taken from *The Lord of the Rings: Complete Recordings* (Reprise Records) and *The Hobbit Special Edition Original Motion Picture Soundtracks* (WaterTower Music)

• NOTES & TIMING •

Track Notes indicate (most importantly) stop & repeat times, as well as the timing of any notable musical themes as they may match up with appropriate moments in the text during a live reading.

Time estimates are taken from my dramatic reading cadence: casual narration with character acting and natural pauses, but not overly slow. Reading speeds can or course differ wildly, and notes are intended as a guideline.
